

A New Year message from ED

Happy new year to all. 2019 was a very productive year for all of us. We have seen tremendous changes in our workplace such as IPCT expansion. We can proudly say we diversified in our projects and our staff pool. We have seen some valuable employees taking a different path in their life and departing us and also seen new wonderful employees joining us. I hope we all join hands together in our goal to provide ultimate care to our patients in 2020.

New Employees

In January we welcomed three new talented ladies joining our IPCT team. Kelly Gill, Justina Esene and Yoko Tsuyuki. Welcome to CVFHT!

One Testimony from a Patient
"Anissa provided a friendly service today."

From a patient on the 17th of January 2020.

Participation

We participated in the CIBC Run for Cure in the month of October. We had an incredible turnout and raised over \$2,000 towards breast cancer research.

Team CVFHT proudly congratulates Dr. James Pencharz in his appointment as the Chair of the CVFHT Board.

New Initiatives

- ❖ We have successfully implemented Ocean Self Check in kiosk in all three sites
- ❖ We are currently doing user acceptance testing for e-referral through the Ocean Kiosk
- ❖ We have successfully hosted flu clinics at the Peel Seniors Link (PSL).
- ❖ We administered 55 flu shots in total for the residents of the PSL building.
- ❖ CVFHT celebrated the World Diabetes Day on November 14, 2019
